<h2>The Cataract of Lodore</h2>			
...The cataract strong			
Then plunges along,			
Striking and raging			
As if a war waging Its caverns and rocks among;			
Rising and leaping, Sinking and creeping,			
Swelling and sweeping, Showering and springing,			
Flying and flinging, Writhing and ringing,			
Eddying and whisking, Spouting and frisking,			
Turning and twisting			
Around and around With endless rebound:			
Smiting and fighting, A sight to delight in;			
Confounding, astounding, Dizzying and deafening			
the ear with its sound.
